\_\_\_ By submitting this coupon, I understand that the school office will take it from here, and I trust the enrollment process.

\_\_\_ I understand that the referral credit program does not extend to the Eagles Nest Preschool program.

\_\_\_ I understand that I am free to refer multiple families,

# \$500 Tuition Credit

Since 2003, the CCS **Family Referral Credit** has served as an incentive to ask you to do what you do best - **share the good news about Calvary Christian Schools education with your friends, neighbors, and extended family!**

**The Family Referral Credit Program offers a \$500 tuition credit** to any *currently enrolled referring family* and to the *new enrolling family* they've referred. Both families will receive the credit on their second enrolled semester. Simply invite a friend to check out Calvary, fill out the Family Referral Coupon, and if they enroll, you and they both receive \$500 off the next semester's tuition. It is that easy!

We understand that YOU are the best advertising our school could ask for because you have experienced first hand the value of a Calvary education. Will you consider whom you may invite to check out Calvary Christian Schools?

## Share this with someone today!

We appreciate that families share many connections outside of Calvary Christian Schools. In the instance of multiple families referring the same prospective family, we commit to helping everyone resolve amicably the application of the referral credit to a referring family's tuition. This would be a great problem to have! What a testimony of the ways God is working.

**Who do you know that needs to experience the Calvary difference...an education to believe in!**
