MyChart

To register for our patient portal, follow the steps below.

- A parent/guardian will need to create their own MyChart account with Spectrum Health by going to: MyChart.SpectrumHealth.org. If you already have an account, skip to step 6.
- Click on [New User Sign Up](#)
- Select [Sign Up Online](#) under "No Activation Code?"
- Answer personal questions to verify your identity.
- Create your username and password. (*The username cannot be changed at any time.*)
- Once your account is set up, contact our office at 231-220-2259 to get Proxy Access for your child.
-  Once Proxy Access is granted you will be able to access your child's MyChart.
